

The Link from Home to School

Ensuring children with ASD are equipped with the essential skills needed to transition to school

Little Links:

-  Multi-disciplinary program for children aged 3 to 6 years with a diagnosis of ASD
-  Individualised evidence based program
-  Focused on creating school readiness skills
-  Takes place once a week at our Ryde Location from 9am to 3pm

Giving your child the opportunity to participate and grow within a social setting

Daily activities include:

- | | |
|--------------------------|---|
| Group circle time | Greeting peers, taking turns, and following directions |
| Guided play | Teaching your child how to play |
| Work sessions | Teaching new skills |
| Snack time | Making requests, life skills and social skills |
| Music time | Focusing on group imitation skills, following directions and group learning skills. |

NDIS terms and funding supports used to describe these services are:

- Improved relationships
- Improved daily living skills
- Increased social and community participation

 Suite 1, Level 3, 5-9 Devlin St, Ryde NSW 2112
